SPONSORSHIP

Kingstonian Youth is the Royal Borough of Kingston's foremost youth football organisation, comprising of over twenty teams. Whilst striving to produce teams of the highest standard, Kingstonian Youth is also a club for the whole community. Through the Saturday Soccer School the aim is to get as many boys and girls in the area playing and enjoying football as possible. Over the coming years it is hoped that the structure can provide Kingstonian FC and other senior football teams with future players.

The club has received tremendous support from parents, the Local Authority, the Surrey FA and of course Kingstonian FC. However, running this many teams is an expensive business and so further backing is constantly sought. With this in mind, a range of sponsorship packages has been developed as follows:

GOLD	Price: £450 to £550

SILVER	Price: £400 to £500

All help would be greatly appreciated, with all monies going directly and exclusively into the Youth Section. Please contact me at the details below to discuss any sponsorship opportunities further.
